
Building Plan No. 99-12545

BUILDING PLAN APPROVED

for EXECUTIVE DIRECTOR PLANNING & DEVELOPMENT

23.12.99 DATE

Owners / Builders are warned that building materials or other articles may not remain on any street or footpath for a longer time than forty eight hours for loading and unloading.

All Electricity and Post Office Cables and Water Mains in the street must be proved before entrances are constructed. Applications for an electrical connection must be made to the City Electrical Engineer when the building is commenced to avoid delays.

IMPORTANT

ELECTRICITY SERVICES

As the Durban Corporation Electricity Department is responsible for electricity supplies in this area, the records must be inspected at the Electricity Office, Durban to establish all details of existing services that may be affected and to ascertain the procedures to be adopted. BEFORE ANY WORK IS COMMENCED.

OCCUPATION NOT PERMISSIBLE UNTIL OCCUPATION CERTIFICATE HAS BEEN ISSUED BY THE EXECUTIVE DIRECTOR PLANNING & DEVELOPMENT TO BE NOTIFIED PRIOR TO COMMENCEMENT OF OPERATIONS

Existing Septic Tank to be emptied and backfilled to the satisfaction of the Executive Director Planning & Development.

A roof truss certificate to be provided by I.T.C. approved Engineer, before completion certificate will be issued.

Electrical certificate is required, before completion certificate can be issued.

Sewer connection point to be exposed, before commencement of drainage work.
